Luiseño Middle School students will be participating in CAASPP (and CAST for 8th grade students) beginning Monday, May 6th, 2019. Students will be testing in their Advisement classrooms.

| Testing Date | Subject |
|--------------|--------------------------------------|

| May 7th | ELA Performance Task |
| May 8th | Math Selected Response |
| May 9th | Math Performance Task |
| May 13th | CAST (Science Test) - 8th grade only |

During the testing period, students will be required to turn off all electronic devices and put them away. Testing will begin promptly at 8:00 a.m. each morning. We will maintain a quiet campus and will limit all classroom interruptions to emergencies only. **Students who are tardy will not be able to take that day's scheduled test and will be held in the office until the testing period is complete.**

Considering the importance of the testing program, we would like to ask for your assistance in ensuring that your child comes to school each day having had a good night's sleep and a nourishing breakfast. Please encourage your student to focus and do their very best on each test. Send them off to school with confidence by using words of praise and encouragement such as: *You'll do great! Believe in yourself! Have an awesome day!*

We appreciate your continued partnership in your child's education!
