

Dear Parents and Community Members,

On **October 23rd**, Luiseno School will be holding its **Twenty Second Annual Career Awareness Day**. This event is designed to introduce our students to representatives from a variety of professions. Our students look forward to hearing from professionals like you who are in the work place and know firsthand the path leading to your career. On behalf of our students and staff, we would like to extend to you an invitation to present at this event.

If you volunteer to participate as a presenter, you will be asked to present three 25-minute sessions in three different classrooms (five minutes at the end for questions). The day will begin with a continental breakfast at 8:30 and will conclude with lunch at 11:30.

A reply of acceptance will enable us to better prepare and plan ahead for this event. Please reserve this date on your calendar, fill out the form below, and return it by **October 4th, 2019**. Due to the large number of volunteers we have each year, we must take presenters on a **first come basis** and we cannot guarantee that you will be a presenter in your own child's classroom. If you need any special equipment or accommodations such as an overhead projector or space for a vehicle, please mark below.

If you have any questions regarding this event, please contact Dana Minock at 951-253-7480 or via email at dana.minock@leusd.k12.ca.us.

In advance, we thank you for considering participation in the enrichment of our students.

Career Day Coordinators
