

California State University
SAN MARCOS

On March 27th our seventh grade students have been invited to tour the California State University San Marcos Campus. They will have the opportunity to see the University and hear about life as a college student. This is a great opportunity to think about the future, and realize the possibilities for further education, post high school. The students will be introduced to some programs available to them through the California State University System.

We will be leaving Luiseño School, by bus, at 7:30am and returning before the end of the regular school day.

Students will need to bring a lunch or you can request a sack lunch from the Luiseño School cafeteria. All school rules, dress codes, and expectations apply during our school outing. We will be representing our Community, School, and District so please remind your student to be ready to represent us well. There will be no opportunity to purchase anything so please do not send money with your student.

Permission slips and lunch forms must be turned in to Mrs. Centeio or Mrs. Kern no later than March 20th. Students not attending will the field trip will follow their regular class schedules.

LAKE ELSINORE UNIFIED SCHOOL DISTRICT
