**Testing will begin promptly at 8:00 a.m. each morning.** During testing we will maintain a quiet campus and will limit all classroom interruptions to emergencies only. **Students who are tardy will not be able to take that day's scheduled test and will be held in the office until the testing period is complete.** Considering the importance of the testing program, we would like to ask for your assistance in ensuring that your child comes to school each day, having had a good night's sleep and a nourishing breakfast. Please encourage your child to focus and do their very best on each test. Send them off to school with confidence by using words of praise and encouragement such as: *You'll do great! Believe in yourself! Have an awesome day!*
